AFTER TAKING THE ELIXIR. ELIXIR. DR. WRIGHT'S

REJUVENATING ELIXIR! Prepared on the strictest Pharmaceutical principles

by one of the ablest Chemists of the age. This is altogether a new medicine, the result of modern discoveries in the vegetable kingdom, being an entirely new and abstract method of cure, setive of all the old and worn-out systems published by accomplished quacks to the suffering. Dr. Wright, well knowing the deception practised upon the uninitiated, felt it his duty at once to bave this Elixer tested by the whole Medical Faculty, who, without even one dissenting voice, have given in their adherence to its perfect and undivided control over the whole physical man when his frame has been reduced, and when all other medi-cines known to the Pharmacopeia have been tried

And, in fact, all the concomitants of a nervous and debilitated state of the system.

AS A STIMULANT, it is quite different from alcoholic preparations. It is not subject to reactions in any shape: It continues to exert its influence, gradually and efficiently, as long as the least necessity exists for its presence.

AS A FEMALE MEDICINE, it is equally powerful and effective, and restores the equilibrium sooner and safer than all the other medicines which for years have flooded the market, and which are only injurious, in place of assisting or renovating the constitution; for a very good reason, too, that they are only made from the effusions of minds ig-norant of the Medical profession altogether. NO MINERALS!—Dr. Wright thinks it well

to stake his professional character on the fact, that no minerals whatever form the least component parts of the ingredients in his REJUVENATING ELIKIE
—well knowing what ruin has been entailed on the community by opium and mercury.

Generally, to the debilitated, Dr. Wright would sny, Never despair. No matter how worn down you

may be-no matter how weak you are-no matter what the cause may have been-forsake at once whatever has led you to depart from Hygienie prin-ciples—take his REJUVENATING ELIXIR, and you will soon find yourself a new man-a pride instead of the reverse, to your friends, and a healthy, sound, and worthy member of the human
